2. Players participating in a league match must be registered in TennisLink prior to participation. Points earned by un-registered players may be reversed. (Singles League - In the event that any player should register for this league subsequent to the release of the current yearend computer ratings, that player must use the new year-end rating.)
3. Captains must simultaneously exchange completed lineups prior to the scheduled match.
4. Matches should begin promptly as scheduled with a 10-minute warm-up allowed, including serves.
5. There is a 15-minute default rule in effect for all scheduled matches. An individual default occurs when a player(s) fails to appear properly clothed, equipped and ready to play within 15 minutes of the scheduled match time.
6. Teams may not default an entire match. For a five-court match, a maximum of two courts may be defaulted; for three and four-court matches, only one court may be defaulted. If a team cannot field all positions in a team match, they must default beginning at the bottom of the scorecard (either #2 singles and/or #3 doubles) and work upward. Exception: Due to the format of Tri-Level, any position may be defaulted, but only one per match. Please see state regulations for further information concerning penalty for match defaults.
7. In the spirit of good sportsmanship and fair play, a team should be advised by its opponent of a known default (#2 singles or #3 doubles) prior to match time. Please note, this notification is appreciated, but it is not required.
8. In the event of illness, injury, disqualification, or no-show of a player prior to the start of an individual match (once the lineup has been exchanged) a team may substitute a player in the affected position within the 15-minute default time, using a player not already listed in the lineup. Captains are responsible for notifying their players of court surface on which a match is to be played and that they must wear proper shoes for the specified surface.
3. Captains should contact the host facility to confirm courts at least two days prior to the match.
4. Visiting teams provide new balls that are approved by USTA for championship play.

3. League matches are not timed matches and must be played until completion or retirement. If a court is reserved for a time in which players are still playing, the current match must move to another open court. If the facility does not have open courts, the match should be rescheduled. Incomplete matches must resume with the same players at the exact set, game and point that existed when play was halted.
4. In the event that inclement weather forces the cancellation and rescheduling of a team match, substitutions may be made in any individual matches that had not begun.
5. Points awarded for defaults during the original lineup exchange will stand. All players involved in such defaults cannot participate in the rescheduled match.
6. Verbal defaults offered prior to the original written lineup exchange are nullified when the match is rescheduled due to inclement weather.
7. A match may not be cancelled more than 4 hours prior to the scheduled match due to inclement weather.
